FAMILY SUPPORT NEWSLETTER

WELCOME to the first edition of our newsletter. Take a **LOOK** at our Parent Connect column, Events Calendar, Announcements, and New Information. Our goal is to share information, focus on parent collaboration and making connections.

SPECIALIZED SERVICES

Did you know you can have a full service visit with a local, mobile dental hygienist **IN YOUR OWN HOME?**

Mobility challenges, anxiety going to the dentist, difficulty with transportation?

Since 2011, Cindy McQueen RDH, of Roving Dental Hygiene, has been successfully providing home visits to children and adults with special needs.

Her approach is the key that unlocks acceptance for regular preventive care and oral health.

Questions? Please call 613-770-3801 or visit www.mobilehygiene.ca

Some services delivered at ODSP rates. Private insurance, First Nations coverage and private payment accepted
